□□ Joining Magic World

□□ The Magic World is ScrubCraft's **adventure server** — a quest campaign with its own maps, progress, and custom gear. It is not part of the main survival world.

□□ How to join

1. Connect to `scrubcraft.ca` (Java Edition).
2. You'll land in the **Lobby**.
3. Take the Magic World portal when it is open.

> □□ A public shortcut like the other worlds (`*.scrubcraft.ca`) is not available yet. For now, join through the Lobby.

□□ What to bring

- □□ A Quest Book (available at spawn) to open your journal
- □ Curiosity — inventories and quest progress stay on Magic World, separate from SMP survival
