

Breeze Scythe

Unleash the power of the wind with the **Breeze Scythe**, a custom weapon that combines speed and strength, with the ability to knock enemies back and unleash devastating Wind Charges.

Key Features:

- **Right-Click Ability:** Shoots out a Wind Charge that flies in the direction the player is facing.
- **Knockback:** Increased knockback effect when attacking enemies.
- **Cooldown:** A 0.5-second cooldown between each Wind Charge shot.
- **Durability Damage:** Right-clicking with the Breeze Scythe damages its durability by 10 points.

Recipe:

- **3** Netherite Ingot
- **2** Breeze Rod
- **1:** Edgestone
- **3:** Wind Charge

Breeze Scythe type unknown

Important Note: The Breeze Scythe's magic only works in areas where you have the proper permissions. If you attempt to use it without the required permissions, you will receive a warning message:

"The magic of the scythe does not work here!"
