Kulprids Kingdom

Kulprids Kingdom — the nation of **Kulprid**, on ScrubCraft since Dec 9, 2020 — and the most border-hugging settlement on the map, built right against the 10,000-block edge.

- **Location:** against the world's edge — the last kingdom before the void
- **Era:** 2020 onwards — one of the longest-lived territories in the logs
- **The community at the edge:** over the years the kingdom grew into a mixed border colony — Kingcats12, Destroyer8356, Coldcanida, Night99Striker7, NightShade_08, OOblahyeh and KulpridTTV all called this corner home
- **The heist of 2022:** the realm went down in legend in July 2022 when goods went missing — '*He stole it*' / '*stole from me*' (Jul 13, 2022) — and the community spent August poking around '*kulprids realm*' (BR_OOblahyeh, Aug 12, 2022)
- A kingdom that survived the peak, the long tail, and even its own robbery
