Tree of the WildKing

The **giant tree** that marks the territory of **WildKing222** — a day-one legend, seated from the very first archived day (Dec 7, 2020).

- **Era:** 2020–2021
- **Cherished:** "*if it's one near wildking's giant tree, leave the trees closer to his base alone*" (bearssss, Nov 2021) — the woods around the tree were strictly protected

The tournament crowds cheered him on ("*Go WildKing!*", May 2021). His tree outlived the era — one of the few monuments still standing from the server's first winter.
