Zippy/Syntax Farming District

The **farming district** belonged to two of the server's most persistent residents: **ZippyZippy** and **SyntaxErrorGeek**.

- **What's here:** working farms — the iron farm that ZippyZippy kept tuned ("*does the iron farm work other than the iron golems that spawn in the lava area?*", 2022) and the creeper farm reported "*50% done*" in Sep 2023
- **Residents:** ZippyZippy (day-two player, never really left) and SyntaxErrorGeek (founding-day [Supporter])

A quiet, functional corner of the world with the most reliable iron on the server.
